**USDF Statement on Animal Welfare:** The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals. Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved. The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival. As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

**Motorized Vehicle Statement:**

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above-described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses, or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion,

that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2023**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

#### Memberships Defined

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

**Acknowledgement of Risks:** I realize that there is an inherent danger in the use of any saddle animal, including equines, and that travel with or upon a saddle animal may involve hazards including, but not limited to uneven or unstable ground or road surfaces or sub-surfaces, trees branches, rocks, stones, gravel, mud, water, and/or objects on the ground or roadway: that weather can create slippery conditions associated with fog drip, rain, sleet, ice and snow; that motor vehicles, other horses and riders, equipment failure, my ability to control or direct an animal and the speed at which I proceed can pose a dangerous risk to my safety; that movement, noise, and contact with objects may frighten or cause an animal to move unpredictably with force; that I may suffer accidents or illnesses in remote places where there are no available medical facilities; and that no warranty of any kind, express or implied, is being made as to the habits, disposition, suitability, nature or physical condition of any animal. I also understand that saddle animals, even the most well-trained, are often unpredictable and are often difficult to control. I realize that personal property may be lost or damaged, that certain foreseeable and unforeseeable events can contribute to the unpredictability of the risks, dangers, and hazards of the activity; that wearing a helmet is a basic precaution; and that I should ask about other potential risks, dangers, and hazard and recommended precautions and procedures.

**Express Assumption of Risk and Responsibility:** With this Release from Liability and Hold Harmless Waiver I accept notice of the provisions of the Equine Activity Liability Act (Virginia Code sections § 3.2- 6200-6203, 2008, as amended, which state in part: "(i)the propensity of an equine to behave in dangerous ways which may result in injury to the participant; (ii) the inability to predict an equine's reaction to sound, movements, objects, persons or animals; and (iii) the hazards of surface or subsurface conditions. In recognition of the inherent risks of the activity, which I and any minor children for which I am responsible, will engage in, including approaching, handling, mounting, riding and dismounting a saddle animal, I confirm that I am (we are) physically and mentally capable of participating in the activity and using the equipment. I/We participate willingly and voluntarily, and I assume full responsibility for personal injury, accidents or illness, including death. I assume all responsibility for damage to or loss of personal property as the result of any accident that may occur. I assume the risk(s) of personal injury, accidents and/or illness, including, but not limited to sprains, torn muscles and/or ligaments; fractured or broken bones; eye damage; cuts, wounds, scrapes, abrasions, and/or contusions; dehydration, oxygen shortage (anoxia), exposure and/or altitude sickness; head, neck and/or spinal injuries; animal bite or attack, insect bite, allergic reaction; shock, paralysis, and/or death; and acknowledge that if, during the activity, I/we experience fatigue, chill and/or dizziness, my/our reaction time may be diminished and the risk of an accident, increased.

**Covenant of Good Faith:** I recognize that you, as provider of goods and/or services, will operate under a covenant of good faith and fair dealing, but that you may find it necessary to terminate an activity due to forces of nature, medical necessities, or other problems; and/or refuse or terminate, the participation of any person you judge to be incapable of meeting the rigors or requirements of participating in the activity. I accept your right to take such actions for the safety of myself and/or other participants.

**Authorization:** I hereby authorize any medical treatment deemed necessary in the event of any injury while participating in the activity. I either have appropriate insurance or, in its absence, agree to pay all costs of rescue and/or medical services as maybe incurred on my/our behalf.

I further agree on behalf of myself and any minor children for which I am parent, legal guardian or otherwise responsible, my heirs, personal representatives or assigns to indemnify and hold harmless all of the foregoing from any claims which I might make or which might be made on my behalf by others or which might be made against me by others, arising from riding on Company property. Furthermore, I agree to indemnify the Company for any injury, death, loss, or damage to any personal property which might occur during an equine activity as defined by 3.2-6200 through 6203, 2008, as amended, or social functions sponsored by the Company or held in our behalf or for our benefit, when such injury, death, loss or damage occurs on their property.
